Report Changes

A number of updates have been made to reports across the Capacity Tracker.

- National View

Users will see the inclusion of aggregated national data in the following reports:

- Update Monthly Status ASC Collection
- Unavailable for Admissions

- Monthly Status ASC Collection

CQC registration date for locations has now been included in the csv for this report

Anyone registered before 17th August 2022 will show as 'NULL' for the following month. Locations added who have had a transfer of ownership after the 17th August 2022 will find the date they were added to the CT in this column.
