

# Capacity Tracker

*Insight for Care*

30 June 2022

## What's New

From the evening of 4th July the following updates will be made to the Capacity Tracker:

- Changes questions
- Introduction of Integrated Care Boards (ICBs)

## Changes to questions

To reduce the burden on providers a number of questions will be removed or amended from the following sections:

### **Costs, Vacancies & Business Continuity (Daily)**

- 'PPE' section - This will change to a simple Yes/No question with the dropdown menu being removed

### **IPC Funding (Weekly)**

- Visiting - The total number of questions is being reduced with a number being removed and some being merged
- Staff Testing - All questions will be removed

## Introduction of ICBs

New organisations called Integrated Care Boards (ICBs) will begin operating on 1st July. To reflect this, you can now search for them in the Tracker.

While CCGs will cease to exist, their former footprint can still be searched as a 'Sub ICB' location.

Breakdown By

NHS Region	▼
NHS Region	
ICB	
Sub ICB	
LA Region	
LRF	
Local Authority	
Organisation	
CQC Rating	

The Sub ICB locations will have the name of the ICB + the CCG's former ODS code and name. See example here:

- NHS North East and North Cumbria ICB - 01H North Cumbria
- NHS North East and North Cumbria ICB - 13T Newcastle Gateshead
- NHS North East and North Cumbria ICB - 16C Tees Valley
- NHS North East and North Cumbria ICB - 84H County Durham
- NHS North East and North Cumbria ICB - 99C North Tyneside

## Reports

The reports affected by the changes will be:

### PPE changes:

- PPE availability (no longer available)
- Status Summary Table,
- Location Overview
- Sub ICB/ LA Aggregate Overview
- Status Summary Map

### ICP Visiting and Staff Testing

- Aggregate responses
- Responses by location
- Responses by question
- Responses by date

## Who does this affect?

The changes will be applicable to:

### PPE

Care Home, Home Care, Hospice, Residential Substance Misuse

### **IPC Visiting and Staff Testing**

Care Homes and Substance Misuse

## **When will this take place?**

Evening of 04 July 2022.

## **What disruption will I face**

Users should avoid using the system from 15:00 to 17:00 hours on 04 July 2022.

## **What do I need to do?**

Be mindful of the changes to reports above and let any colleagues know about the updates if you think it will affect their work.

With kind regards  
Capacity Tracker Team
